## NEW BEGINNERS CLASS

We are very happy to start a New Beginners Class on Wednesdays, starting 4th of July 2012

If you want to start playing Taiko and experience the Power of Japanese Drums and feel their vibrant energy you now get the opportunity to join a New Beginners Class with Tamashii Daiko.

If one wants to learn the way of Taiko it is a combination of concentration, focusing, discipline, teamwork, self control, the ability to learn methodically and it is a physical work out as well.

Whether you're interested in becoming a Taiko performer yourself or

whether you just want to enjoy learning to drum and have fun within a group of like-minded people, Tamashii Daiko classes are a wonderful way to learn the art of Japanese drumming. Let the vibes and the energy of the drums excite and amaze you.

Date: 04.07.2012

Time: 18:00—19:30 hrs

Venue: Hathersage Farm, Gordon Rd. Somerset West
